## **3D Laminate: Cleaning and Care Guide**

### **Regular Cleaning:**

Clean the surfaces using a damp, soft cloth with mixture of warm water (99%) and mild detergent (1%) . Wipe dry with a clean soft cloth if necessary.

### **Avoid Using:**

Any abrasive cleaner such as baking soda  
Harsh chemicals such as sink and toilet bowl cleaner  
Paint thinners, turpentine, etc  
Brushes or scrubbing sponges  
Furniture polish  
Denatured alcohols  
Cleaners containing ammonia
